AIM Interview (Sushant Botla)

Interview Questions

1. Tell me about yourself.

- *{Insert notes for this question HERE}*
- *Is busy for the semester and won't be able to make it to the meetings*

2. What motivated you to apply to AIM?

- *Follow-up:* Do you have any prior experience working with AI/ML? (**Note:** It is perfectly fine if they do not have prior experience, as this program is designed to help individuals learn more about AI.)
- *{Insert notes for this question HERE}*

3. You've selected [First Project] as your primary project. Why did you choose this project, and what specifically drew you to it?

- *Follow-up:* What do you hope to contribute to these projects, and what do you expect to learn from them?
- *{Insert notes for this question HERE}*

4. What skills do you bring to this program that you believe will help you succeed both individually and as part of a team?

- *{Insert notes for this question HERE}*

5. Can you describe a time when you faced a challenge working in a team? How did you handle it, and what did you learn from that experience?

- *{Insert notes for this question HERE}*

6. What does your schedule look like? Will you be able to make time for aim outside of the weekly meetings on Wednesdays?

- *{Insert notes for this question HERE}*

7. Any other questions you deem, IF necessary.
